If you have a specific medical condition or specific symptoms, vaginal/yni steam baths may be contraindicated. A referral from your primary care provider may be required prior to service being provided. I understand that if I experience any pain or discomfort during any session, I will immediately inform the practitioner so that the temperature may be adjusted to my level of comfort. I further understand that vaginal/yni steam baths should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any physical or mental ailment of which I am aware. I understand that the practitioner facilitating the vaginal/yni steam bath is not qualified to diagnose, prescribe, and/or treat any physical or mental illness, and that nothing said in the course of any session given should be construed as such. Because vaginal/yni steam baths should not be performed under certain medical conditions, I affirm that I have stated all of my known medical conditions, and answered all questions accurately, completely, and honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioner's part should I forget to do so. I am aware and I understand there is a possibility that my IUD can come out due to a Vaginal Steam Bath. This has been explained to me and I am going ahead with the Vaginal Steam Bath at my own risk. I understand that I am having this vaginal/yni steam bath at my own risk and hereby release Mahogany Salon & Spa and its contractors and/or employees from any liability.
